Theme of GSM 2024

Inner Peace to World Peace brings into focus the many levels of conflict we are all grappling with across various spheres of our everyday existence and the need for reconciling the conflict within if we are to achieve long term global peace.

India's vision of '**Vasudhaiva Kutumbakam**' embodies the idea of 'the world is my family' and consequently acknowledges that we are all part of a larger picture.

1. Connect to SELF

2. Connect to OTHERS

3. Connect to UNIVERSE

Proposed Programme Structure

Plenary Themes – Overview

- Inner Peace to World Peace
- Spirituality in Daily Life
- Confluence: Interfaith Dialogues
- Being and Becoming – Transformation & Spirituality
- Spirituality in 2047
- Youth and Spirituality in the Digital Age

Swami Vivekananda's historic 1893 address at the World's Parliament of Religions advocated for religious tolerance and an end to fanaticism. This conference at Kanha Shanti Vanam represents the next pivotal moment in spiritual transcendence after Swamiji's address. With India's rise as a global leader, or 'Vishwa Guru,' in spirituality and holistic wellness, this gathering unites diverse faith traditions, yoga practitioners, meditation experts, and holistic wellness advocates. Guided by the principles of peace and heart-centred living, the Mahotsav fulfils Swami Vivekananda's vision of uniting humanity through spirituality.

Spiritual Discovery at the heart of a Spiritual Heaven

From time immemorial, the world has turned to India for spiritual and moral guidance. To honor India's unique role and contribution in inspiring spiritual pursuits globally, Ministry of Culture is organizing the Global Spirituality Mahotsav-2024 as a special initiative in this auspicious Amrit Kaal at Kanha Shanti Vanam, Hyderabad, Telangana from 14-17 March 2024.

THEME:

The theme of the Mahotsav, "Inner Peace to World Peace" highlights the solution for multiple conflicts we face in various aspects of our lives and emphasizes the need to resolve internal conflicts to achieve lasting global peace. Peace is the most fundamental human pursuit, and the crucial element missing from the global puzzle of well-being. It is the foundation upon which we build a harmonious world, resonating with the theme of "From Inner Peace to World Peace" at the Global Spirituality Mahotsav.

This Mahotsav also echoes India's vision of "Vasudhaiva Kutumbakam" "the world is one family. This philosophy recognizes our interconnectedness and emphasises that to bring about any meaningful change, whether material or metaphysical, we must first find inner peace, as it is the foundation for influencing and changing the world around us.

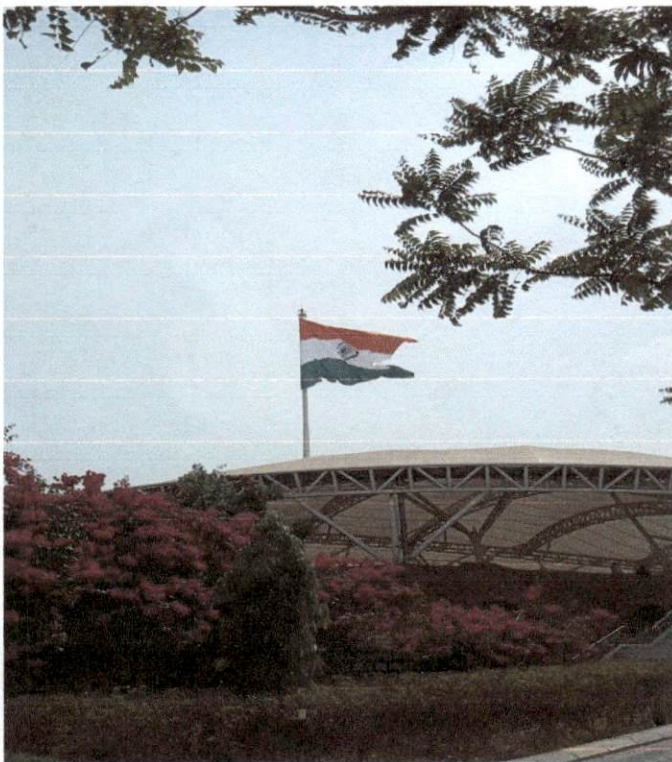

Main Aspects of this Mahotsav:

Connect to SELF

Connect to OTHERS

Connect to UNIVERSE

The Global Spirituality Mahotsav, held in March 2024 at Kanha Shanti Vanam, Hyderabad, India, was a first-of-its-kind event aimed at promoting inner peace as a pathway to global peace.

Organized by the Ministry of Culture and hosted by the Heartfulness Institute, it brought together diverse spiritual leaders, yoga and meditation experts, and advocates for well-being.

This significant event aimed to explore the connection between inner transformation and creating a more harmonious world. Through discussions, cultural performances, and meditation sessions, the Mahotsav fostered a sense of unity and understanding across spiritual traditions.

Attendees at Global Spirituality Mahotsav

- Smt. Droupadi Murmu

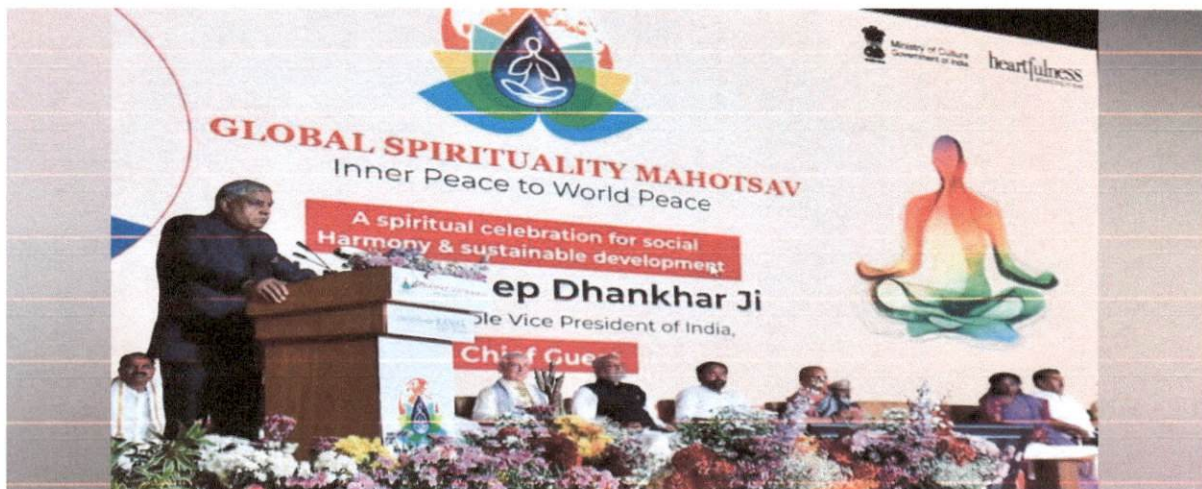

The Honorable President said that the message of this Global Spirituality Mahotsav 'From Inner Peace to World Peace' is an essential message for the welfare of the entire humanity in today's global environment. She stated that the aim of this event to increase harmony and mutual understanding between people having faith in different religions and sects, is a commendable effort towards the welfare of humanity.

The President said that we should bring about change in ourselves and only then try to bring about change in other people. If all persons ensure their own improvement and work altruistically, then together we all will be able to take the entire humanity in right direction.

- **Shri Jagdeep Dhankhar**

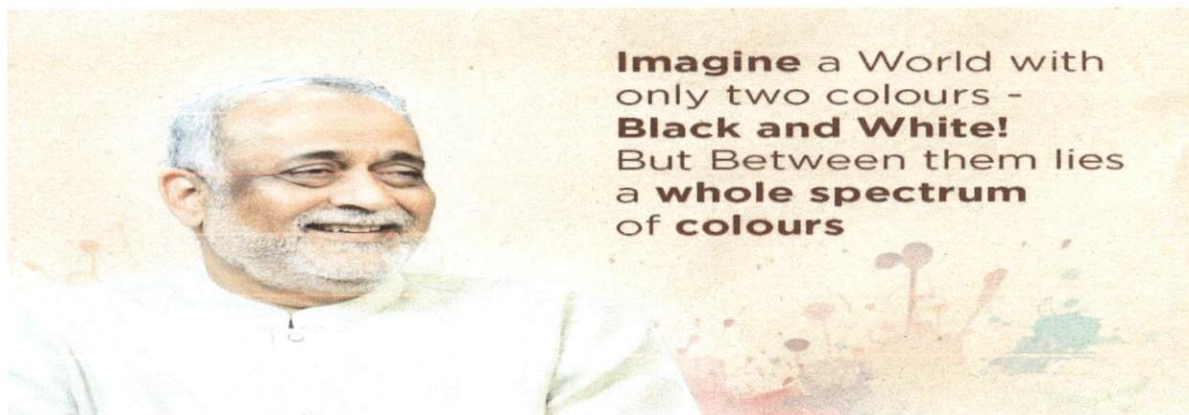

Vice President Jagdeep Dhankhar said spirituality brings about sublime sync with body, mind, heart and soul and spirituality reposed in oneself is required to be awakened. “World scenario is worrisomely alarming with escalating geopolitical tensions, iniquitous and unequal development, concerning rise of repression, intolerance, discrimination and violence based on religion or belief. In this situation, India is a beacon of hope,” he said.

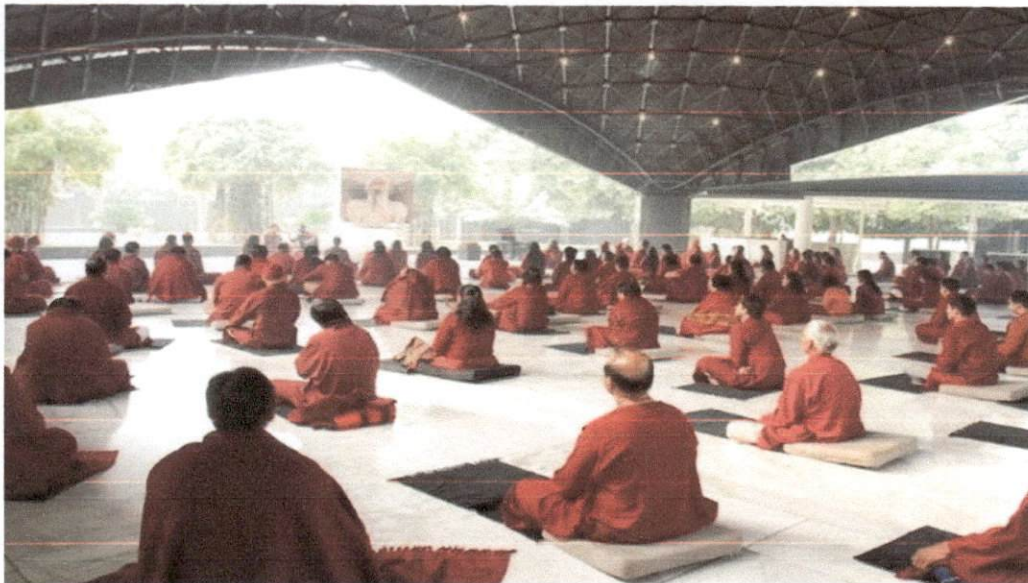

- **Kamlesh D. Patel (Daaji)**

Kamlesh Patel, also known as Daaji, is the current spiritual head of the Heartfulness Institute. He spoke at the Global Spirituality Mahotsav in Hyderabad, India on March 17, 2024.

In his speech, Daaji emphasized the importance of spirituality in today's world. He said that spirituality is not about religion, but about finding inner peace happiness. He also spoke about the importance of love, compassion, and forgiveness.

This event has brought many spiritual leaders from all faiths and beliefs such as Sri Chinnajeeyar Swamiji, Shri Gaur Gopal Das, Bodhamayananda, Sister BK Usha, Dr. Swami Atmapritananda and many more spiritual leaders to one place at the world's largest meditation center.

In the press conference they talked about achieving peace through collaboration and understanding between religions. Spiritual leaders say that inner peace is the key to peace in the world. If a person is peaceful themselves they will spread peace to others. However, if a person is in pieces they can only share pieces. Everyone is searching for peace but it cannot be found, it must be created. We need to open our hearts to the world and treat all religions like different flowers that add to the beauty of the world. Mutual respect, trust, love and adoration must be cultivated. The message is that religions are not at odds, but instead they are here to serve and spirituality brings people together.
