Dear Sir/ Madam,

Sub:- JNTUH-SC/ST Cell – Up-Skilling program on IoT technologies for SC/ST Students of undergraduate & post-graduate students of JNTUH Constituent Affiliated colleges at free of cost –Request – Regarding.

****

The SC/ST Cell in Association with C-DAC & IEEE is conducting up skilling program on IoT Technologies for the benefit of SC/ST undergraduate & post-graduate Students of JNTUH Constituent and Affiliated Colleges at free of cost. Hence, it is requested to encourage your students belonging to SC/ST Community from all years of study to register for this program. The online registration starts on 13.02.2023 and ends on 22.02.2023.

Before doing online registration, the students should get the following documents to be kept handy and ready.

1) Scanned Photograph (JPEG/ JPG format) below 1MB.
2) Scanned copy of College ID card (JPEG/ JPG format) below 1MB.
3) Scanned copy of (in PDF format)
   Engineering Seat allotment letter : for 1st Year Students
   Latest semester marks memo : for the student of 2nd year onwards.
4) Scanned copy of caste certificate below 1MB in PDF format.

The link for student's registration is http://www.cscbcl.in/ieee_home
University Passcode is JNTUHCSCIOT23.

Once the registration is completed, verification of student's details will be done by C-DAC and eligible candidates will get a mail with the login credentials.

The program is completely online for 280 hours. The students can learn on their own pace and should complete the course. The login data and progress of the students is continuously monitored. After completion of the program, a Digital certificate will be provided to the successful candidates.

Top scored 135 students are eligible to undergo hands-on-experience program in three batches with 5 days each and C-DAC is conducting directly and will be providing free kits to all 135 students to experiment IoT projects. Hence, all the Principals are requested to encourage the students of SC/ST category to register for the above program at the earliest.

The students must know that "THE SELECTION WILL BE FIRST COME FIRST SERVE BASIS". For further details please contact the Coordinator, SC/ST Cell, JNTUH, Hyderabad.

Thanking you,

Yours faithfully,

COORDINATOR
