Training and Placement Cell

Academic Year 2018-2019

Vignan's Institute of Management and Technology is an exemplary institution of higher learning with a mission of pursuing excellence in education and research. The institution, with their diverse and dynamic community of about 2000 students offers a distinctive combination of some of the finest facilities EEE, ECE, CSE. Since its inception in 2008, the institution has been striven to promote high standards in technical education to aid in the career building of many students who step into its portals. Through diverse programs and updated curriculum by imparting industry exposure and hands-on skills, VMTW trains its students into competitive and global professionals. All the departments are supported by a good combination of young and senior faculty with a rich research, teaching and industry background. The state of the art laboratories and smart class rooms make it one of the most preferred institutions for the aspirants of engineering studies.

About the Training and Placement Cell

Training & Placement Cell of Vignan's Institute of Management and Technology for Women is in always ahead in the forefront of activities, bringing corporate close to the campus and encouraging them to establish facilities to cater to the needs of the students from the various backgrounds. It plays a pivotal role in counselling and guiding the students for their successful career, which is a crucial interface between the stages of completion of academic program of the students and their entry into the job market. The Training and Placement Cell always strives to reach the expectations of the stake holders' i.e. students, parents and employers who have strong empathy and faith in the institution. The institute has been maintaining consistent placement record of 85% in reputed companies with attractive pay packages.

Training and Placement is fully equipped with excellent human resources and excellent infrastructure. The Cell has Head Placement, Technical Trainer, and Asst. Placement Officer, internal faculty of Verbal, Soft Skills Trainers and Department Placement Coordinator.

In addition to the human resources the cell has well established with following infra structures:

- 5 placement cabins with high speed internet with 150 Mbps online and offline drives
- One seminar hall with seating capacity of 300 members, LCD projector and internet facility
- A separate room to conduct Group Discussions
- Separate cabins for Head Placement Officer and remaining team members.

Activities of Training & Placement Cell

Training and Placement Cell is providing exhaustive tailor made training programs and conducts on-campus and off campus placement drives to place the students in global IT-Non IT service companies. In this regard, it organises Campus Recruitment Training (CRT), internship and career counselling program.

Campus Recruitment Training (CRT)

This program is designed to aid candidates in their preparation for recruitment through on/off Campus Drives. Students entering their final year of engineering studies or currently pursuing their final year can make use of this program to get trained to deliver their best in the selection processes of organizations such as Amazon, Raukuten, TCS, Infosys, Wipro, TechMahindra, Accenture, HCL etc. The participants will be trained in the following areas:

1. Aptitude Tests (Verbal, Reasoning, Quantitative)

2. Technical Training

3. Group Discussion Process

4. Interview Process (Both HR & Technical Round)

On the whole, the goal of the Campus Recruitment Training programme (CRT) is to develop what is deemed as the KSA quotient i.e., Knowledge, Skills & Aptitude base of the second, third and fourth year students and enable them to face the multiphase selection process during campus interviews.

CRT is offered for students at various phases from second year B.Tech. T&P Cell of Vignan's Institute of Management and Technology for Women, has devised a comprehensive training module comprising sessions on building Quantitative Reasoning and Verbal aptitude, Technical training in C, C++, JAVA. The Training also includes regular and specific CRT.

Employability Skills Training

Employability Skills programme is a part of the regular academic calendar which is designed to train the final Year B.Tech students in technical and aptitude skills. The training is imparted by both in-house team and external faculty as well.

Regular and Summer CRT

In addition to the Employability Skills programme, students are trained intensively throughout the academic year and during summer break. The training aims to develop advance level Quantitative, Aptitude, Verbal, Technical and Soft Skills of the students and the training, provides practical exposure to the students by attending mock tests, mock interviews and interactions with the industrial experts.

Company Specific CRT

In addition to the Summer CRT programme, the Cell conducts specific training for bright students to get placed in global Companies with attractive pay package. The training is offered by the external experts from the reputed training agencies.
