(Based on the companies requirement)

## Our Training Partners

Principal  
Institute of Management & Technology For Women  
Wardapur (M), Chhatrapur (H), Medchal-Malkajgiri Dist, 500041, Telangana State

I am Meghana Motamarri, My sincere appreciation & gratitude to the Training & Placement Department and all staff of VMTW for their efforts in imparting quality technical and aptitude training. I am very grateful to them for effectively and sincerely helping me to grab the first ever opportunity. As I am from the Electronics Department, I never thought I would place in

multiple companies; today I am placed in 5 MNCs because of the college's training. I especially thank all my faculty, HODs, and Principal who motivated me continuously whenever we were down. I had a fantastic time and learned so much along the way. The things that I have learned will be valuable to my future placements and career. I came into this college as an innocent girl, who knows nothing about engineering, placements, or career but today I am going out of this college as a professional. Special Thanks to our Training & Placement Co-ordinator. Proud to be VIGNANIAN.

I am Alapati Harshini, My experience at VMTW is great and memorable. The mentors at VMTW helped us enhance my academic and interpersonal skills. I am thankful to the Training and Placement Cell for providing a platform to enhance my skills & an opportunity to showcase them in this Pandemic & helping me to get placed in 4 companies on campus. If you want to make a career in CSE, I would recommend you to join VMTW.

I'm N. Naga Deepthi, I got placed in WORKSBOT and 3 MNC (i.e TCS, WIPRO & COGNIZANT). I am really thankful to our college and placement cell, for supporting and providing us opportunities to learn skills and guiding us in placements. The staff was very supportive and informed us with enough notice regarding every placement drive. I am grateful to have such a good Training & Placement

Department.

I am Vyshnavi Bellamkonda, The four amazing years just passed in the blink of an eye. The best thing about the College was being part of a supportive environment, where everyone is focused, helps each other and you are encouraged to succeed as individuals. The placement team provides prior training and works as a bridge between students and potential companies, which helped me to crack Accenture, Accolite Digital, Cognizant, Wipro, and DXC. Totally, it has been an amazing experience for me that has helped me grow personally and professionally.

I am P.N.V. Vyshnavi, an ECE student. Despite coming from a non-IT department, our college offers a series of lectures called CRT classes that have allowed me to learn about several coding languages outside of the classroom. My TPO, Satish Sir, and placement coordinator, Sunil Sir, provided me with excellent advice. They assisted me in developing attractive

and powerful skill sets that allowed me to land jobs with prestigious multinational corporations like TCS, Cognizant, DXC, and PlanetSpark. Our Professors, HOD, and Principal have always supported me in placements as well as in academic, co-curricular, and extracurricular pursuits; where I have succeeded and discovered who I am. The moral principles that everyone should learn to have a successful profession are the main topics of discussion in VIGNAN. Additionally, this college allowed me to develop my character and soft skills by offering weekly counseling classes and Guest Lectures. I'm thankful for our Instructors, Faculty, and Placement Cell, and I'm proud to be a student of VMTW.

I'm Sharanya from ECE. From the day when am going to college. My only goal was to graduate with an engineering degree. But looking back to the last four years, VMTW has played an integral part in my life. I was enriched by the constant guidance that has been provided with efficient training. The Faculty are proficient, accessible, and patient.

The placement team works very hard to bring in several MNC companies and other Core companies. The placement drives happened almost every day. They provide us with accurate training and work as a bridge between students and potential companies. We learned different skills and programming, which are very much needed to get placed in reputed companies. Being associated with VMTW provided me access to the best faculty, an amazing campus, a supportive placement cell, and enhanced my knowledge in my chosen field getting placed at Flipkart with 13.52 LPA is the result of everything summed up. I'm delighted to begin my professional journey at Flipkart as Assistant Manager (AM).

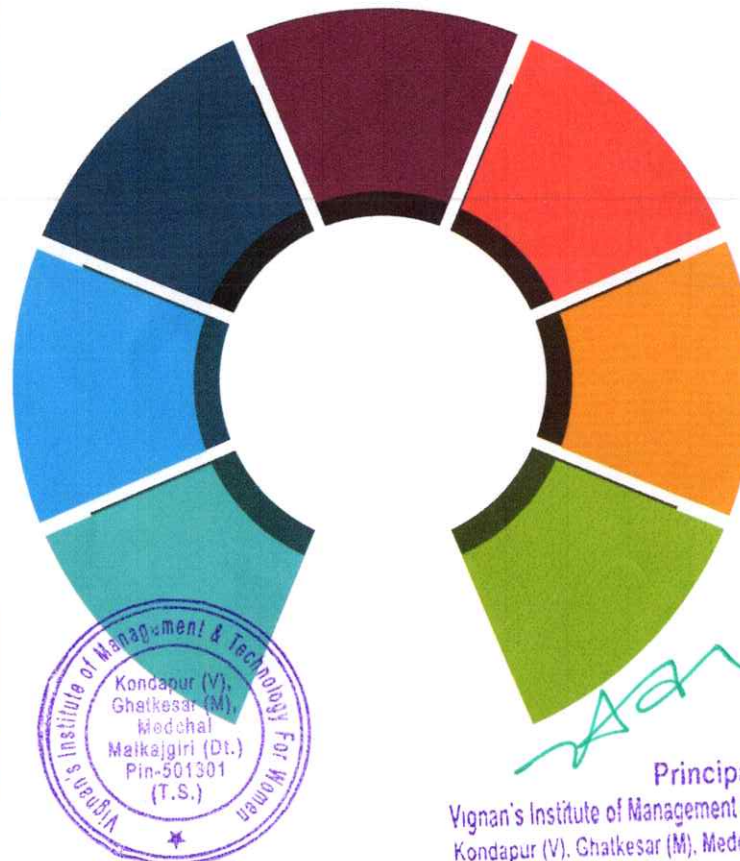

I, Sharanya Medhireddy, want to extend my sincere gratitude and appreciation to the Training and Placement Department for their continued efforts in imparting technical knowledge and providing placement training. The long list of companies visiting the campus for placement drives and the enormous exposure to various organizations are exceptional.

The best part here is there are no restrictions on attending placements, and students are allowed to register for any number of companies, this gives students wider opportunities to land in dream companies. I owe it to my college and the placement cell for helping me land a job in a reputed company like AMAZON with a good package.

I'm Sri Lasya, the time spent in VMTW has taught me a lot, everyone wants to be successful, but the road to success is a rocky one, you need solid support and most importantly right guidance, I thank VMTW for such amazing guidance and support. I love the curriculum, infrastructure, environment, and other facilities that will prepare you for a successful life. I am very thankful to the department faculty and most importantly the placement cell that helped me achieve the goal and guided me at every stage. My experience with the placement procedure was amazing and I learned a lot. I thank you T&P department. If you are looking for a healthy environment and a successful carrier, I suggest VMTW. Once again, I am grateful and thank VMTW for shaping my mind this good.

## Our Esteemed Recruiters:

# **Training and Placement Cell**

## **Academic Year 2021-2022**

Vignan's Institute of Management and Technology is an exemplary institution of higher learning with a mission of pursuing excellence in education and research. The institution, with their diverse and dynamic community of about 2000 students offers a distinctive combination of some of the finest facilities EEE, ECE, CSE, CSE (AI/ML). Since its inception in 2008, the institution has been striven to promote high standards in technical education to aid in the career building of many students who step into its portals. Through diverse programs and updated curriculum by imparting industry exposure and hands-on skills, VMTW trains its students into competitive and global professionals. All the departments are supported by a good combination of young and senior faculty with a rich research, teaching and industry background. The state of the art laboratories and smart class rooms make it one of the most preferred institutions for the aspirants of engineering studies.

## **About the Training and Placement Cell**

Training & Placement Cell of Vignan's Institute of Management and Technology for Women is in always ahead in the forefront of activities, bringing corporate close to the campus and encouraging them to establish facilities to cater to the needs of the students from the various backgrounds. It plays a pivotal role in counselling and guiding the students for their successful career, which is a crucial interface between the stages of completion of academic program of the students and their entry into the job market. The Training and Placement Cell always strives to reach the expectations of the stake holders' i.e. students, parents and employers who have strong empathy and faith in the institution. The institute has been maintaining consistent placement record of 85% in reputed companies with attractive pay packages.

Principal  
Vignan's Institute of Management & Technology For Women  
Kondapur (V), Ghatkesar (M), Medchal-Malkajgiri (Dt)-501301,  
Telangana State

Training and Placement is fully equipped with excellent human resources and excellent infrastructure. The Cell has Head Placement, Technical Trainer, and Asst. Placement Officer, internal faculty of Verbal, Soft Skills Trainers and Department Placement Coordinator.

In addition to the human resources the cell has well established with following infra structures:

- 5 placement cabins with high speed internet with 150 Mbps online and offline drives
- One seminar hall with seating capacity of 300 members, LCD projector and internet facility
- A separate room to conduct Group Discussions
- Separate cabins for Head Placement Officer and remaining team members.

### **Activities of Training & Placement Cell**

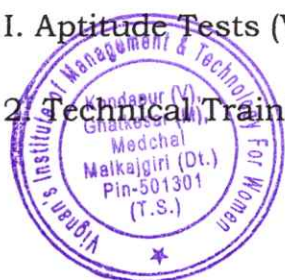

Training and Placement Cell is providing exhaustive tailor made training programs and conducts on-campus and off campus placement drives to place the students in global IT-Non IT service companies. In this regard, it organises Campus Recruitment Training (CRT), internship and career counselling program.

### **Campus Recruitment Training (CRT)**

This program is designed to aid candidates in their preparation for recruitment through on/off Campus Drives. Students entering their final year of engineering studies or currently pursuing their final year can make use of this program to get trained to deliver their best in the selection processes of organizations such as Amazon, Raukuten, TCS, Infosys, Wipro, TechMahindra, Accenture, HCL etc. The participants will be trained in the following areas:

I. Aptitude Tests (Verbal, Reasoning. Quantitative)

2. Technical Training

  
Principal  
Vignani's Institute of Management & Technology For Women  
Kondapur (V), Ghatkesar (M), Medchal-Malkajgiri (Dt.)-501301,  
Telangana State

### 3. Group Discussion Process

### 4. Interview Process (Both HR & Technical Round)

On the whole, the goal of the Campus Recruitment Training programme (CRT) is to develop what is deemed as the KSA quotient i.e., Knowledge, Skills & Aptitude base of the second, third and fourth year students and enable them to face the multiphase selection process during campus interviews.

CRT is offered for students at various phases from second year B.Tech. T&P Cell of Vignan's Institute of Management and Technology for Women, has devised a comprehensive training module comprising sessions on building Quantitative Reasoning and Verbal aptitude, Technical training in C, C++, JAVA. The Training also includes regular and specific CRT.

### **Employability Skills Training**

Employability Skills programme is a part of the regular academic calendar which is designed to train the final Year B.Tech students in technical and aptitude skills. The training is imparted by both in-house team and external faculty as well.

### **Regular and Summer CRT**

In addition to the Employability Skills programme, students are trained intensively throughout the academic year and during summer break. The training aims to develop advance level Quantitative, Aptitude, Verbal, Technical and Soft Skills of the students and the training, provides practical exposure to the students by attending mock tests, mock interviews and interactions with the industrial experts.

### **Company Specific CRT**

In addition to the Summer CRT programme, the Cell conducts specific training for bright students to get placed in global Companies with attractive pay package. The training is offered by the external experts from the reputed training agencies.
