ABOUT THE INSTITUTION

Vignan's Institute of Management And Technology For Women established in the year **2008** under **Lavu Educational Society** in Kondapur (V), Hyderabad is a **UGC Autonomous, NBA Accredited** and **NAAC 'A+' Grade Institution**. Located amidst lush green environs in **22 acres** of land with a built-up area of **31193.72 Sqm** is one such academic destination to cherish intellectual acumen. VMTW imparts quality education to students in Engineering & Technology and Management. Since inception, VMTW has been consistently ranking top among engineering institutions of Telangana and is the right place to define one's future with a will to question ideas, pursue long-held passions and explore new interests.

Good Governance Practices: The Governing Body of the institution consists of prominent academicians, policy makers, industrialists, philanthropists and nominated student members for balanced policy making, utilization of funds and student/staff welfare measures. The perspective plans are laid down and incorporated in strategic plan document of the institution in association with deans, heads and coordinators. The staff members under the guidance of Governing Body and Management Committee members are responsible for continuous improvement of academic & research activities and future strategies. Execution & implementation of plans, procedures, and guidelines are done through heads and coordinators to outreach targets and benchmarks at all levels. Well-structured feedback systems are in place to address the stakeholders need and to improvise the institutional processes and to adapt innovative practices in all spheres.

Teaching Learning Process: The curriculum of each program has been developed to meet the Program Outcomes (POs) with emphasize on inclusiveness through interdisciplinary courses and Experiential Learning. The programs are well-designed in balancing the curriculum with the requisite number of foundation courses, advanced courses, mandatory courses, professional and open electives, certification/online/value-added courses using Swayam courses, industry-based electives and manufacturing-laboratories to facilitate the competency-enhancement of the students in all the main-stream/relevant domains and mentor them to be employable and prepare them for higher studies, entrepreneurship and public service. The foundation courses are well designed as per the requirements/needs of accreditation/affiliation/industrial agencies. Students are allowed to take up inter-disciplinary projects in the final year along with students of other programs/departments. Both UG and PG students are provided with internship opportunities in industries, which help them for better understanding of industry-academia gaps and to build career.

Enhancing Employability: The Placement Cell of the institution holds a good stake of employability/placement record and it broke the targeted pay packages, placements, interns and companies visited (on/off/pool campus and onsite interviews). Many of the offers are from MNCs with average respectable pay packages, our best pay package till now being Rs 21LPA

Interdisciplinary Research: The institution has constituted interdisciplinary research groups to take up R&D work in the thrust/identified areas such as centers of excellence, innovation, incubation and entrepreneurship cell. All efforts are made to create necessary infrastructure and testing facilities for carrying out research in thrust areas. Faculty and students are provided with financial and other necessary support to participate in national/international conferences/seminars, file IPRs, technical competitions/contests and startups by involving as many stakeholders as possible. Well-knit off networking with industries and institutes of higher learning and premier universities in India & abroad has been taken-up. Opportunities for faculty and students is provided to take up innovative projects, handholding junior faculty in the preparation of project proposals, providing financial support for patents, publications, pursuing Ph.D. and Post Doc.

Industry-Institute Interaction: VMTW has established strong Industry links with various

organizations and over 90% of companies that visited the campus are engaged in employability/development activities. Some of them are Accenture, HCL, Amazon, Capgemini, Genpact, TCS, Infosys, DBS.

NTT Data, HSBC, IBM, Oracle, Jaro, Zensar, Service now, Wipro, SAP, HCL, Mindtree, Cognizant, Accenture, Hitachi, cyient, L&T Infotech, MEIL, Welsfargo, Reliance Industries, Xilinx, Mentor-graphics, Mphasis, etc. Several industry-based labs have been set up and industry prescribed electives taught to enable strong bondage between Institute and Industry.

Scholarships: Around 50 percent of the students avail various scholarships under SC/ST/BC/EBC/PH/Minority scholarships from TG-Govt./AICTE/MHRD. In addition to Government Scholarships the institute also provides financial assistance to meritorious students.

Students Innovation & Extra-Curricular Activities: VMTW's unique initiative includes catering to the holistic development of the students and provides full-fledged learning. The learning environment caters to instill academic outlook, competitive spirit, interpersonal skills, team work, leadership qualities through encouraging extra-curricular activities. Focus in this direction, has led the students to gear up with unique personality traits suitable to the global challenges. Lateral thinking capacity and innovative ideas in myriad fields are some among such qualities which students are acquainted with. Our students' talents and innovations include the development of hybrid automobile vehicle, drones, robots, racing cars, automated blind sticks, smart street light system, dynamic traffic signaling system, fool proof website, leave management system, etc. In addition, students are motivated with financial assistance to participate in various competitions. Every academic year, students convey abundant enthusiasm to represent the institute in various competitions at regional, university, national and international level and have won laurels to the institute.

Professional Society Associations and Chapters: Students actively involve, participate and organize various technical-talks/seminars/workshops/conferences/symposiums/contests through professional student chapters/clubs/cells to understand contemporary practices in industry.

Sustainability and Environmental Practices: In line with the vision, VMTW is in pursuit of building a sustainable and environment friendly campus. As a part of its green initiatives trees have been planted in and around the campus by the students/staff and management under the flagship of NSS cell. Efforts are made towards self-sustainability in terms of energy/water/waste management. A 100 kW solar power unit is installed for generating renewable energy. Rain water harvesting as well as direct ground water table recharge techniques has been implemented. A sewage water treatment plant (STP) of 200k liters capacity is provided for treatment of all sewage generated.

Vision, Mission and Quality Policy of the Institute

Vision: To empower female students with professional education using creative & innovative technical practices of global competence and research aptitude to become competitive engineers with ethical values and entrepreneurial skills.

Mission: M1: To create a challenging and innovative learning environment that develops strong technical expertise and global professional competence.

M2: To impart a strong research culture that encourages students to tackle complex problems through advanced and innovative technical approaches.

M3: To develop ethical, entrepreneurial leaders capable of bridging academia and industry in the field of engineering and Technology.

Quality Policy: Strive for global professional excellence in pursuit of key-stakeholders.

Leave Rules

General: Leave records are maintained on the basis of calendar year and leave is not a right. Leaves once sanctioned can be revoked or cancelled at the discretion of the HOI in case of emergencies. The staff leave record is maintained by ELMS-VMTW and all leaves must be applied & processed through the LMS only for all practical purposes. Staff applied leave in ELMS should make alternate-arrangements/substitutions against class-work/duties assigned to them. Leave will not get escalated to the HOD/HOI without the proper adjustment. Leaves cannot be applied after availing them as the system will not accept and such leaves will be considered as loss of pay.

The rules for applying leave are as follows:

- a. Leave shall be availed only on approval from the respective sanctioning authority.
- b. Application for the leave should be submitted through the respective Head of the Department.
- c. All leave applications should be submitted well in advance with alternate arrangements so as to avoid that the regular assignments are not affected.
- d. An employee can leave headquarters only with prior approval from the HOI and should be in touch with concerned HOD and resume-back to office in no time in case of any emergencies.

Recall from Leave: An employee on leave may be recalled to duty before the expiry of leave in case of urgency and necessity. The un-availed period of leave will be credited to the account of the employee.

Return to Duty on Expiry of Leave: An employee on leave is prohibited to return to duty before the expiry of leave granted unless permitted in writing to do so by the authority sanctioning the leave. The employee shall return to duty on expiry of leave and is not permitted to merge/extend the leave.

Categories of Leaves

Training Need Analysis and Procedures

Training needs of the faculty are continuously assessed by HODs. The consolidated list is sent to the IQAC through the HOI. Based on the recommendations, the training programme shall be organized during winter/summer vacations in the following identified areas:

1. Personality Development
2. Teaching Methodology/Induction/Orientation/Refresher
3. R & D Orientation Programmes to pursue Quality Research
4. Technical Advancement and Continuing Education
5. Accreditations, assessment and Academic-audit

Training Policy for Staff

The institute takes care of training its levers with rapid technological changes and global connectivity issues in view of cut throat competition in modern times. Need of the hour is intensive technological developments, sustainability, environmental degradation, resource depletion and inclusive growth.

The debuts are provided with SDP/Workshop/conferences/seminars/orientation-programmes/micro-teaching-opportunities and development of digital resources using ICT tools. The training programmes are conducted in association with the resource persons of premier institutions. This type of training will help staff to improve their skills, develop further and rectify lapses, if any.

There is a deluge of new software, online platforms, e-modes of teaching-learning, e-sources of information etc. and the teacher has to learn how to make judicious use of these without getting lost in the quagmire and also without becoming obsolete.

Broad objectives of the training policy are to

1. Provide an induction program to new staff members on micro-teaching through ICT.
2. Identify in-service & in-house need based specific training program to the staff.
3. Prescribe the structure and contents of the training program at different levels.
4. Monitor, facilitate and successively improve the quality of training programmes
5. Orient about the spectrum of challenges of technical education, duties and expectations.
6. Build capacity, competency & maturity through effective TLP, inclusive and interactive learning.
7. Focus on evaluation, assessment, accomplishment and achievement in relevant areas & levels.
8. Provide platform for problem-solving, creativity, innovation and R&D project guidance.
9. Acquaint with best practices in establishment of labs, research-centers and centers of excellence.
10. Train on administrative/event-management/project-management/IPR filing procedures.

Staff Development Scheme

5. Library Accession Register, Visitors Register.
6. Stock Registers (consumable/non-consumable).
7. Indent Forms and Enquiry Books.
8. Bonafide, Custodian, LOR, MOI, Course Completion & Transfer Certificates.
9. Fee Receipt Books, Payment Vouchers, Accounts Stationary.
10. Student & Staff Permission Slips and Leave Application Forms.
11. No-due Certificate, Gate Passes, Visitor Slips, Vehicle Permission/Parking Slips.
12. Log Registers, In/Out ward registers and Staff movement registers.
13. CIE/SEE Answer Booklets, Award lists, Grade Memos, CGM, PC, Transcripts.
14. Student Lab Records/Drawing Sheets, Lab Manuals, Course Files and General Files.

Guidelines for Preparation of Budget proposal

The staff in-charge of each lab should forecast the lab requirements i.e., consumables, non-consumables, stationery, furniture and major equipment for the current financial year based on previous year/semester consumption, well in advance. The HODs have to discuss various budget components in IQAC before budget preparation for annual utilization, inspections, visits and audits. The HOD in coordination with faculty has to prepare a consolidated detailed budget in the prescribed format for the department and submit to the HOI for further approval.

Procurement of Consumable & Non-Consumables Items: The concerned HOD has to,

1. Initiate a budget proposal for the procurement of the consumables, stationery, furniture, tools and equipment for the next academic year/semester and submit to the HOI.
2. Float enquiry for quotations, prepare a comparative statement, negotiate, and request for final quotation, forward it to purchase committee for approval and to proceed further to place order.
3. Prepare & place order for delivery of materials/equipment on approval from HOI.
4. Ensure delivery of ordered items and arrange for inspection of received items in good condition.
5. Ensure that the details are entered in the stock/assets register, pass instructions for payment of bill soon after completion of inspection of equipment/material with intimation to HOI.

Stationery Procurement

Guidelines for procurement of stationary: The HOD/AO should,

1. Assess the central requirements of stationery for the administrative needs of all the departments including admin office before commencement of the academic year/financial year.

2. Consolidate the requirements of all the departments/cells/R&D/clubs/chapters/associations and submit the same in the prescribed format to the HOI for approval.
3. Float enquiry for quotations, prepare a comparative statement, negotiate and request for final quotation, forward it to purchase committee for approval and to proceed further to place order.
4. Prepare a purchase order on approval from HOI, place order for delivery of materials.
5. Ensure delivery of ordered items and arrange for inspection of received items in good condition.
6. Ensure that the details are entered in the stock/assets register, pass instructions for payment of bill soon after completion of inspection of material with intimation to HOI.
7. Maintain central stores department to receive the stationery and distribute as and when required to the departments by the store keeper on receipt of indent by the HODs through HOI.
8. Raise special indent for stationery in case of bulk purchases for conduct of workshops/conferences/seminars/SDPs/TTPs, etc. to the AO well in advance. While raising indent, the actual use of stationery during previous similar occasion should be taken into consideration.
9. Deposit the unutilized stationery intact to the AO soon after the completion of the programme.
10. Seek stationery indent periodically for smooth functioning of administration of stores department.

Maintenance of Stock

Guidelines to in-charge staff members for maintenance of stock: The laboratory in-charge has to,

1. maintain the following registers of their respective labs
 - a. Consumables/Non-consumables/valuables stock register
 - b. Other register(s) based on the requirement of the Department concerned.
2. Receive the equipment/material after verification, be responsible to upkeep the material, each & every entry should be duly signed by the staff in-charge, faculty in-charge, HOD and HOI.
3. Verify the stock & entries whenever there is a change/deputation of lab in-charge and note discrepancies if any and report the same to the HOI through HOD.
4. Notice & record in the stock register instantaneously on any breakage/damage/leakage/pilferage/spoilage/mishandling/theft/embezzlement of any item in the lab. Irrespective of category of damage, the recovery should take place as per norms.
5. Enter details of obsolete & condemned items/tools/equipment/materials in the dead stock register.
6. Record the details of inter/intra departmental transfer of equipment/material on approval of HOI.
7. Arrange for scheduled service/maintenance of equipment/machinery follow AMCs.

Stock Verifications

Guidelines to concerned HOD/faculty member for stock verification: The concerned HOD/faculty member has to,

1. Make surprise visits/checks in the department office/lab/library/club/cell/chapter/association.
2. Arrange for internal academic/administrative audits before the end of the academic year.
3. Report any academic/administrative discrepancy immediately to the HOI.

Academic/Administrative Audit

Objective: Academic audit includes course delivery, adherence to course plan, quality of question papers for internal examinations, internal evaluation, laboratory experiments, assignments, projects and conduct of practical classes and their evaluation.

There are two types of audits i.e. academic and administrative. The audits mainly observe whether the following aspects have been taken into consideration or not in the academic programme:

1. Adherence to the academic calendar, semester plan and role of class/course committees
2. Schedule of classes, faculty time table and attendance of students
3. coverage of syllabus as per course plan and quality of assignments/CIE/SEE question papers
4. Evaluation of internal exams/assignments with sample solutions for theory/practical
5. Performance of students in internal exams, award of internal evaluation marks and assessment
6. Maintenance of lectures' diary and course file
7. Students feedback on faculty
8. Information on progress of students to their parents & feedbacks from stakeholders

Instructions to Internal Academic Audit

Procedures should be followed very strictly during the audit

1. Study the quality assurance system documents before conduct of the audit as per SRA norms.
2. Identify deviations/non-conformities/weaknesses if any, report comments and possible solutions.
3. Write down the proposed corrective/preventive action/process with proposed date of completion.

Uniformity in Brand Image

Products: The institution maintains strict uniformity in all the material used which includes lab/office equipment, furniture, etc., this helps in standardizing the materials at the institute.

Signage's, Posters, Anthems, Logos and Captions: The college uses the same form of signage's, posters, anthems, logos and captions for display in the corridors and walls.

Patterns: The institute maintains uniformity in the rules and regulations practiced. Prior approval of the management has to be obtained in case of deviation of existing rules or introduction of new rule.

STUDENT-RELATED PROCEDURES

Admission Procedure

The AO along with his crew are responsible for student admission process. This procedure involves guidance, counseling and to render information to those who seek admissions. The parents are provided with a privileged visit to the institutional infrastructure i.e., laboratories/classrooms/central-library/other facilities for their satisfaction. Admission into B.Tech. course is done through TGEAPCET. 70% of the seats are allotted under convener quota. 30% seats are filled through Management category. Diploma holders are admitted into II-B.Tech under lateral entry scheme to the extent of 10% intake based on the merit in TGECEET. Admission into MBA and M.Tech. is made on the basis of the merit score in TGICET and TGPGECEET/GATE respectively. After the allotment process the student has to fill the details online and submit the following documents in original:

1. SSC, Intermediate, Degree/Diploma or Equivalent Certificate with marks memo(s)
2. TGEAPCET/TGECEET/TGICET/TGPGECEET/GATE Hall Ticket, Rank Card
3. Allotment order, Joining report (for Convener Quota students only)
4. Transfer, Bonafide & Local/Non-Local candidate and Caste & Income certificates
5. Aadhar Card and Photographs: three stamps size & six passport size
6. Four sets of copies of all certificates, ten self-addressed envelopes with postage stamps
7. Migration certificate/Equivalence certificate
8. Other certificates as demanded, if any

Admission-Figure Report

The AO should submit a daily report on students admitted/vacancy position category/branch wise along with the total amount of fee collected/transferred into college account with valid proof to HOI.

Preparing the Final Lists

After the completion of admissions including spot-admission, the AO should prepare and submit the final list of the students admitted into various programmes under various categories to the COE/HOI.

Categories of Fee

The administrative staff should collect prescribed fee only from the admitted students.

Issue/Reissue of Identity Card, Bonafide, Fee Estimation, Custodian Certificate

1. Identity card will be issued only once on confirmation of admission and payment of necessary fee. However if any student request for reissue of ID card due to loss/damage, it will be reissued only on HOI approval and on payment of prescribed fee with due reason.
2. Fee estimation, Bonafide, Custodian or other certificates are issued through online on payment of prescribed fee with necessary details certified by the HOI.

Fee Collection Schedule

All the students should pay the prescribed fees as in the schedule applicable to their regulations before one week of the commencement of the class work, otherwise a fine of Rs.50/- per day is collected after the due date for a week. If any student fails to pay the fee as per the schedule shall be liable to forfeit their seat.

Mode of Fee Payment

The students have to pay the prescribed fee through institute official app only and the fee receipt is generated automatically. The institute is not responsible for cyber crimes, information security and phishing threats.

Student Fee Collection Report

The Accounts officer prepares comprehensive information of daily fee collection and submits the same to the Secretary & Correspondent through HOI.

Admission Cancellation Procedure

If any student so intends to cancel the admission for any reason in the middle of the course, the student shall clear all applicable pending dues as on the day and submit a no-dues certificate.

Report on Admission Cancellation

The AO/Accounts Officer should send a quarterly report on admission/cancellation to the Secretary & Correspondent through the HOI.

Course Registration

All the students should register for the eligible courses/credits fifteen days before commencement of the semester through online only in consultation with the course advisor on payment of prescribed fee.

College Timings

All the students should follow the college timings i.e. 9.10 am to 4.05 pm on all working days.

1. Late comers are strictly prohibited. However, a grace time of twenty minutes is allowed under special circumstances, i.e. 9.30 a.m. and beyond 9.30 a.m. no student is permitted.
2. Habitual late comers are liable for suspension for a period of one week which may be extended.

Student Attendance – Minimum Required

1. A student has to put a minimum of 75% attendance to get promoted to the next semester.
2. The shortage of attendance of the students can be condoned on medical grounds by 10% on submission of medical certificate along with payment of prescribed fee and affidavit. The student with less than 65% attendance in no case condoned and will be detained.

Student Attendance – Information to the Parents

1. The student's attendance information, CIE/SEE marks are communicated to parents and updated regularly to the website: www.VMTWonline.ac.in. If the students' attendance is below 75% or poor in academics, the same shall be communicated to the parents.
2. Students below 75% of attendance are not allowed to participate in inter/intra institute events.
3. The absent students information is communicated to the parents every day.

Dress code

All the students should follow the prescribed dress code and wear the ID cards when in the campus, otherwise they will not be allowed into campus/transport. The formal dress code for boys is shirt

7. Suspend/expel/rusticate of the student from hostel/institute or withdraw facility extended.

Competitive Examinations

The institute provides training programmes for various career opportunities to develop their competency needs and succeed, either in getting jobs or for higher education pursuits. The departments have to maintain records of the successful students. The following trainings are offered:

1. CRT is offered as a part of the curriculum.
2. Industry specific need based technical training for placement.
3. Guidance for Hackathons, conferences, project expos, publications, etc.,
4. Special training for GATE and IES by faculty of respective departments.
5. Training to GRE, CAT, IELTS, TOEFL, etc. for a group of sixty members.

Student Placement Procedures

The following are the various programmes conducted by the Placement Cell to enhance placement opportunities among the aspirants:

1. Maintain database of MNCs, and their expectations from the students.
2. Assist the students in the process of preparing their profiles and resumes.
3. Organize programmes such as preparatory exams, mock interviews, group discussions, etc.
4. Print photo-album/slam book every year with the details of all the out-going students and also host in institute-website/social-media-links to take care of alma mater.
5. Rigorous training campaign for placement and higher education.

Student Clubs and Professional Associations

The institute motivates professional outlook among the students through membership in professional associations/societies/clubs and participation in seminars, workshops, conferences and publications in reputed journals. The following are some of the measures in this direction:

1. Organize workshops, guest lectures and awareness programmes on emerging technologies.
2. Establish various professional-student chapters/associations/clubs to undertake society activities.
3. Motivate students to be the members of various professional chapters/associations/clubs/societies.
4. Participate in seminars, techno fests, paper presentations organized by ISTE/IEEE/CSI.
5. Take up industry/R&D oriented live projects.
6. Participate in NSS programmes and take up projects/internships/seminars of societal relevance.

Motivational Initiatives

The institute provides merit awards and certificates to competent students as a token of recognition to inspire other students to compete and excel in all aspects. The following are the awards offered:

- a) **Best outgoing student:** Open for boys and girls: Carries a Gold medal and a cash award of Rs.5000/- and a Certificate. Assessment procedure is given below:

S. No.	Category	Max. Marks
1	Academic: Aggregate marks of all the examinations x 50 marks awarded = $50 \times \% \text{ of marks obtained} / 100$	50
	The student should pass all the subjects in the 1 st attempt of regular examinations and complete the course in 4 consecutive years.	
2	Attendance: marks awarded = $5 \times \% \text{ attendance} / 100$	05
3	Placement offer: marks awarded = $10 \times \text{CTC} / 1000000$	10
4	GATE, GRE, GMAT, CAT: marks awarded = $10 \times \text{percentile} / 100$	10
5	Personality: Leadership qualities (coordinator/keynote speaker) / communications skills (formal/informal anchoring)	05

8	Co-Curricular Activities: technical papers presented at seminars/ published in technical journals. Each paper 2 marks max of 5 marks	05
9	Feedback from mentor (4 marks) and HOD (1 mark)	05
Total		100

- b) **Certificate of Academic Excellence:** The institute honors toppers from each UG programme with certificates of Excellence.

Eligibility Criteria: The student must bear good conduct and character and must put up not less than 85% aggregate attendance in all semesters and must complete the course in single attempt.

- c) **Academic Topper - Branch & Year wise:** Gold, Silver & Bronze medals, cash prize of Rs. 5000, Rs. 3000, Rs. 2000 with merit certificates respectively are presented to each branch topper year wise of UG.
- d) **Best Project:** a certificate of appreciation to the best project in all the programmes.
- e) **Best Outgoing Sportsperson (Boy & Girl):** To be judged by a committee.
- f) **Professional society membership:** A maximum of 10 students from all UG branches on merit basis receive 50% of the cost of professional society membership.
- g) **Special awards:** Special awards are given to the institute toppers, best pay package in placement and the toppers in GATE, IES, GRE and CAT.
- h) Awards are given for publication in International/National refereed journals by the students.

Award	First Rank	Below Top 10	Below Top 100	Below Top 200
All India GATE Rank	Rs 50,000	Rs.25,000/-	Rs.10,000/-	Rs.5,000/-
CAT / GRE	Suitable Awards will be given depending on their outstanding performance and CAC recommendations.			
Journal Publications				

- i) **Sponsorship to paper presentations:** To enhance academic/professional quality amongst students support is provided to attend/participate/organize national/international conferences/seminars/workshops. The students should take prior permission and submit relevant valid proof to claim the benefit for reimbursement of publication fee and TA/DA to one person in one semester.

Students Database

The college maintains database of student's performance in academics, placements, higher education, alumni, etc. The following information is maintained:

1. Information/progress reports of all students in general and weak/slow-paced learners in particular.
2. Subject/semester/year wise result analysis for all branches.
3. Information of employment and higher education both India and abroad.
4. Feedback analysis from mentor/coordinator/faculty/HOD/industry/employer/parents/stakeholders.

Student Exit Procedure

On successful completion of graduation on request from the student, all necessary certificates are issued on submission of no-dues certificate and on return of ID card.

Graduate Database and Procedure for Issue of Certificates

Certificates/student data are issued to the graduate or their representatives, which may include course completion certificate, grade-cards/CGM/PC/transcripts/MOI/TC, etc.

Recommendation Letter Issue Procedures

The institute allows its faculty members to issue a recommendation letter for abroad education/employment or as the case may be.

An Alumni Feed Back Form

The institute shall get the alumni feedback form filled by the outgoing student which is used to update the database (alumni) of the placement cell.

Student Grievances Redressal Procedures

To redress the genuine grievances of student, the institute constituted the grievances redressal cell and an exclusive Women's Grievance Redressal Cell/Internal Complaint Committee to address the academic/administration/gender issues of staff/students. The aggrieved party/parties can approach directly the HOD or lodge a complaint through mentor or personally meet HOI about the grievance. However, all the complaints received from all the sources will be directed suitably to the above committees for concealment or punishment.

TEACHING – LEARNING PROCEDURES

VMTW promotes the use of student centric teaching and learning methods to increase the grasping and learning levels of the students. Emphasis is to go beyond the traditional Chalk & Talk methods in order to maximize teaching effectiveness in the fast-changing technologies in engineering. Further, the graduate attributes or the Program Outcomes (POs) are twelve in number and defined for a 4 year undergraduate program in Engineering and Technology. Of these eleven, only five are domain specific and remaining six are generic. In order to cover the remaining seven POs, appropriate teaching-learning methodology needs to be adopted. The Institute once a year conducts a workshop or faculty development program on Teaching Methodologies, in order to equip teachers with innovative and ICT based teaching methods.

Teaching-Learning Process

The process of TLP to be followed:

1. Focus on broad areas of human knowledge and strictly adhere to academic calendar.
2. Emphasis on theory, practice, seminars and projects by in depth studies in their respective areas.
3. Advanced learning through R&D.
4. Clarity and relevance of curriculum to demonstrate graduate attributes.
5. Evaluation of student performance through CIE/SEE and award grades.
6. Set question papers & follow BTL, and map each question to BTL/CO/PO.
7. Develop rubrics, set benchmarks and establish levels of attainment & its improvement.
8. Follow the mechanism in existence for review of syllabus & content delivery on regular basis.
9. Faculty performance evaluation system to review the performance & offer remedial actions.
10. Calibration of lab equipment and demonstration of apparatus before experiments.
11. Identification of number of students performing a single experiment with common apparatus.
12. Continuous access to remote digital resources/e-learning/central computing facilities.
13. Automation of library facilities to support virtual learners.
14. Keep periodicals/magazines/compendiums/rare-books/manuscripts are accessible and available.
15. Skills & content development to enhance employment/entrepreneurship.
16. Provide handouts/tutorials/materials/e-resources and value-added-courses for all programmes.
17. Knowledge transformation process of OBE through industry oriented live projects.
18. Learner centric interactive approach to respect the interests of stakeholders.
19. Include innovative, creative and intuitive methods and content beyond syllabus through ICT.
20. Skill enhancement by analytical-skills, professional communication & personality development.
21. Provide remedial/make-up classes/modules to pick-up slow pace learners/weak performers.
22. Create modules/assignments/projects for advanced-learners/bright-students.
23. Effective mentor-system to tune staff/students to face global challenges in the pace of human race.
24. Develop industry interactions through industry-based internships to learners.

Teaching Methodology

The teaching methodology is as follows:

1. Course files with course objectives, outcomes, lesson plans, evaluation process, bench marks, rubrics, CO-PO matrix, direct and indirect tools used for evaluation, assessment and attainment.
2. Lab manuals, charts and models and traditional pedagogy practiced.

3. ICT tools are used for all courses, simulations, contemporary practices relevant.
4. NPTEL video lectures are used for related topics & also for the same topic by various experts
5. Labs with micro/mini projects to expose real life experience by industry interaction.
6. Seminars, GD, quiz, role-play and case studies for better professional & career advancement.
7. Question banks, study materials soft/hard copies for enhancing the performance in examinations.
8. Monitor deliverables to regular/make-up/remedial classes and supplement/assist academic needs.
9. Counsel/mentor/guide to improve academic/professional/individual/team/emotional performance.
10. Interactive assessment of COs-POs and collection of periodical feedback for overall development.
11. Solve/answer all the questions of CIE /SEE examination in class room in the interest of students.
12. Project based learning in all courses with the assistance of individual faculty members.
13. Content beyond syllabus based on gap analysis through additional theory/lab experiments.
14. Mandatory courses with societal relevance.
15. Guest-lectures/seminars/symposiums on advanced industry topics to update their knowledge.
16. Establish workshops/manufacturing labs to meet industry needs and to tap potential employment.
17. Internships & industrial visits for practical awareness on job exposure.
18. CRT & soft skills sessions to motivate students towards better placements.
19. Projects with innovation, indigenous resources to become social entrepreneurs/leaders.

Value-based TLP

Institute implements value based TLP to all the stakeholders

1. Address relevant gender and societal issues through campaigns/exhibitions/workshops.
2. Focus on social, legal and community engagement activities.
3. Provide digital & e-learning resources in addition to traditional pedagogy in view of OBE
4. Use ICT for societal benefits i.e. web-casting, digital-India and local government programmes.
5. Adopt CBCS & CBSS, and introduce value added, mandatory and employability courses.
6. Maintain transparency in course registration, delivery, evaluation & assessment.
7. Encourage professional, technical, social & cultural students associations and club activities.
8. Encourage publications & projects among both faculty and students.
9. Arrange guest lectures, workshops, conferences, seminars, training programmes and SDPs.
10. OBE analysis to set-up bench marks at course/programme for higher education/employment.
11. Encourage in-house projects/internships in TLP and respect stakeholder's suggestions/complaints.
12. Mentors identify slow-pace/weak/bright students and offer collaborative/peer/group learning.
13. Courses on social relevance, entrepreneurship, innovation and creativity.
14. Secured end-to-end encrypted learning environment.
15. Well equipped LMS through studio environment and private cabins to all staff members.
16. Eco-friendly acoustics, ventilation and lighting systems.
17. Activities on waste management system in view of global environment protection guide lines.
18. Provide academic/professional code of conduct/values/culture for student/staff.
19. Programmes on national identities, days, heritage, culture, polity and constitutional obligations.

Syllabus

1. Prescribed by VMTW as per affiliating and accrediting agencies.
2. Content beyond syllabus and add-on courses to enhance skills for employability.

Academic Calendar

1. Number of instructional days and contact hours per week are as per VMTW academic calendar.
2. Additional teaching/tutorial hours for content beyond syllabus are arranged accordingly.
3. Need based guest lectures, seminars, workshops, symposiums offered within academic calendar.

Seminar/Posters/Model/Prototype Presentation

Encourage innovation and lateral thinking in student-presentations on latest technological developments in recent-past of their relevant fields of interest followed by a viva-voce examination.

Special Assignments/Case-Studies/Project/Experimental Studies

Each student group is given special assignments as advised by their mentor/advisor. These assignments are drawn from current/contemporary practices of industry/society.

Communication Skills & Personality Development

Regular group discussions, mock interviews, workshops and simulations are conducted to improve the communication skills of students.

Active MOUs

The Institute inks MOUs with third party organizations for skill enhancement and holistic development of the students.

Project Work/Internships

Every student has to submit a micro project report in each and every lab in all semesters. The student has to undergo an internship programme during the semester breaks. The final project phase I & II are to be taken up within the campus in collaboration with R&D. Projects are guided by faculty members.

Industrial Tours & Educational Tours

Frequent industrial and educational tours are conducted to the students in and around Hyderabad to get practical exposure to real life industry and to bridge the gap between academia & industry, if any.

Student Mentoring

To track the student performance and mould them as a good professional, the institute assigns a mentor for each student. Each faculty is assigned 20 to 25 students to motivate and guide them to achieve the targets. Mentor counsels students time to time and provides suggestions/remedial actions.

Evaluation process

The evaluation process for theory, laboratory work of all subjects in all semesters and project work of each student is carried out as per their existing academic regulations.

Assessment process

Assessment of courses will be done in two-way process i.e., direct and indirect. Direct assessment includes performance of students in the CIE+SEE and assessment is done based on respective weightage for each component of evaluation and also at BTL. Indirect assessment includes feedback from primary stakeholders i.e., students, faculty, alumni, and parents on course outcomes and improvements to be incorporated, if any.

Course outcomes mapping with POs

In general, each course outcome is mapped with a minimum of two POs. COs 1, 2 & 3 are attained in I-Mid test and COs 3, 4 and 5 are attained in II-Mid and all COs are attained in SEE exams.

S. No.	Subject	POs	BTL
1	Theory	PO1, PO2 and PO3	1, 2, 3 and 4
2	Lab/Practice	PO3, PO4 and PO5	1, 2, 3 and 4
3	Design/Drawing	PO1, PO2, PO3, PO4, PO5 and PO6	1, 2, 3, 4 and 5
4	Internships/Projects	PO1 to PO12	1, 2, 3, 4, 5 and 6

Benchmark Procedures

Rubrics and procedures are developed for various courses for attainment of different levels of POs. In case if any PO is not attained for any reason, a remedial action is initiated in TLP for attainment. If in case, POs are attained for a set of benchmarks than either rubric will be changed or benchmark levels will be increased. As a practice, a default benchmark for all the courses is passing of the subject and /or class average. Every year there will be a minimum increase of 10 percent in existing benchmarks.

IMPORTANT FESTIVALS/FUNCTIONS/CELEBRATIONS

The institution celebrates the following special occasions of national, cultural and academic repute:

1. **Independence Day and Republic Day** is celebrated as a token of recognition of patriotism and solidarity. The Secretary & Correspondent hoists the national flag along with staff and students.
 2. **Teachers' day** is celebrated annually to commemorate Sir Dr Sarvepalli Radhakrishnan's Birthday with rewards and appreciation for deserving faculty members.
 3. **Engineers Day** is celebrated annually on the occasion of Sir Mokshagundam Visweswaraya's Birthday motivating all young aspirants to gear up their skills for technological/societal growth.
 4. **Orientation/Induction Programme** is meant to welcome and enlighten the newly admitted students along with their parents. On this occasion they get exposure to the curricular requirements and do's and don'ts to be followed during their course of study at the institute. This programme is an interactive and informative platform to all the new entrants and their parents. This programme is for three weeks covering topics that focuses the importance of human values, ethics, etiquette, creativity, sportiveness, time/stress management, personality development, etc.
 5. **Tradition/Fresher's day** is celebrated annually in the month of December/January to commemorate national integrity/heritage/culture and unity in diversity. Further fresher's day provides platform to the freshmen to interact and build rapport, mutual trust, agreement and faith followed by cultural programmes in association with seniors in united spirit.
 6. **Annual day** is celebrated every year during March/April to proclaim to the society at large and parents in particular about the commitments and achievements of the institution. The institute magazine is released by the Chief Guest and prizes/awards are distributed to meritorious students in academics/sports/cultural-events followed by cultural programmes and dinner.
 7. **Graduation Day** is celebrated every year during June/July to give away the graduation certificates and meritorious awards to outgoing students. Oath taking ceremony is the part of the graduation day admitting the students to follow professional ethics & values and serve the society for the welfare of mankind.
 8. **Alumni Meet** is organized every year during the month of December to establish an awareness platform for networking to share the views with staff, students and management on global employment opportunities, reconnect with alma mater and felicitate best alumni in various categories followed by cultural programmes and dinner.
